Door Services

In-Store Machine Shop

Machine Shop

In-store machine shops provide tailored drilling services to ensure your new door fits perfectly into the existing jam. Using your old door as a template to determine **exact placement** for hinges, door handles, and easy installation.

In-Store Machine Shop Services:

- Pre-Hung Doors
- Drilling for Door Hardware
- Mortising for Hinges
- Glass Installation
- Cut to Size

Door Hardware

Vinyl Flooring

Beautifully Finished

- Scratch Resistant
- Easy to Install
- Multiple Colours Available
- Fade Resistant

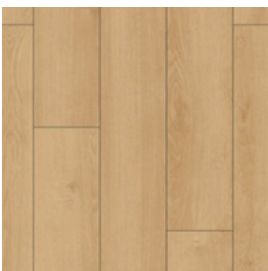

Scratch Resistant Floors

Vinyl plank floors are resistant to scratches, dents, and other types of damage. This makes them a great option for AirBnbs, rental suites, and properties you manage.
